Advancing Excellence

Dear 2008 CAP Laboratory Improvement Program Participant:

The College of American Pathologists appreciates you choosing the CAP as your partner in laboratory improvement. With today's focus on improving clinical outcomes, the results your laboratory provides play an enormously significant role in the diagnosis and treatment of patients.

The enclosed certificate illustrates the importance and pride your institution places on quality patient care and on achieving excellence within your laboratory. This certificate, showcasing your institution's name and the CAP program name, recognizes the participation of your laboratory and the individuals who contributed to your success.

As always, we are pleased to be able to help you. If you have comments or questions, please do not hesitate to call a Customer Contact Center representative at 800-323-4040 option 1 (or 847-832-7000).

We look forward to our continued collaboration with your laboratory as, together, we improve the quality of patient care and shape the future of laboratory medicine in 2009.

Sincerely,

George K. Fiedler
Vice President and General Manager
Proficiency Testing Division
